

UR @ MSU

Hello,

We hope your summer has been fun and relaxing! Opportunities to engage in undergraduate research are available now and throughout the fall semester. Check out our upcoming events and programs and please share.

Fall Opportunities

September	October	November
9/10 Getting Started in UR	10/2 Getting Started in UR	11/4 Getting Started in UR
9/18 Summer Research Opportunities	10/8 Summer Research Opportunities	11/13 Navigating UR Experiences
9/23 Navigating UR Experiences	10/15 Navigating UR Experiences	11/17 Summer Research Opportunities

All workshops occur in 2110 STEM and last approximately one hour. Click the button below for more information on workshop times and content.

**Registration for the Fall 2026
Pathway to Research program is
now open!**

This program is for students **who do not have prior research experience** and are enrolled in MSU. **Both forms will close on September 18, 2026 at midnight.** Please only register for one cohort.

**Join Undergraduate Research for
Academic Credit!**

The Vertically Integrated Projects (VIP) Program at Michigan State University welcomes motivated undergraduate and graduate students from all majors to join faculty-led research teams.

By participating in VIP, you'll gain hands-on experience, earn course credit, and contribute to real-world

In-Person October program session dates

- 9/28 at 6pm
- 10/5 at 6pm
- 10/12 at 6pm
- 10/19 at 6pm

[Click here to register for the in-person fall cohort.](#)

Asynchronous

- Available from 10/1 to 10/31 at 11:59pm.

[Click here to register for the asynchronous fall cohort.](#)

projects that span multiple semesters.

VIP is intended to work best as a long-term experience that can span multiple semesters. We give priority to students who plan to stay on a team for more than one semester, but future participation isn't automatic. Moving forward depends on the contributions students make in earlier semesters.

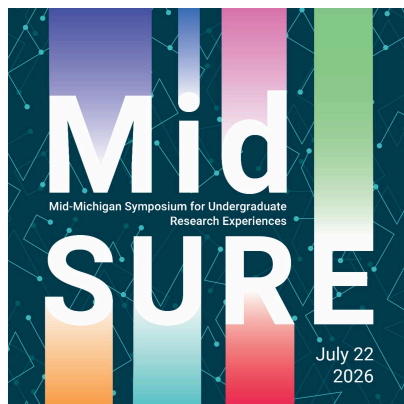

- Open to undergraduate and graduate students from all MSU colleges
- **No prior experience required — just curiosity and commitment**
- Students are encouraged to participate for multiple semesters to build depth in a project

Celebrating 16 Years of MidSURE

The 16th MidSURE was held on July 22nd at the STEM Building. Over 290 undergraduate students from more than 90 different institutions shared their research and creative activity with the MSU community. We thank the more than 300 faculty, staff, post-doctoral fellows, and graduate students who mentored these students during their summer undergraduate research experience.
