The screenshot displays the UURAF Symposium platform interface. At the top, there is a navigation bar with the 'Symposium' logo, a home icon, and links for 'Exit Event', 'Welcome Page', 'Presentations', and 'Live Sessions'. A user profile icon is visible in the top right corner. Below the navigation bar, there is a search bar with the placeholder text 'Search Keyword(s) Or Author(s)' and a yellow 'Search' button. To the left of the search bar is a 'Filters' section under the heading 'Subject', which includes a list of checkboxes for various colleges: College of Arts and Letters, College of Communication Arts and Sciences, College of Music, College of Natural Science, College of Social Science, Eli Broad College of Business, and Lyman Briggs College. The main content area features three presentation preview cards. Each card has a 'Preview' button in the top right corner and a thumbnail image of the presentation slide. The first card is titled 'The Role of Age in the Acknowledgment of Employee's Voice Behavior' by presenter Xiaoqin Yan. The second card is titled 'Variables, Injustice, and Reactions: Student Perceptions on Corporate Statements' by presenter Priha Sharma.
