

## UURAF 2024

Type	Category
Poster, In-person	Agriculture & Animal Science
Poster, In-person	Anthropology & Archeology
Poster, In-person	Biochemistry & Molecular Biology
Poster, In-person	Business & Entrepreneurship
Poster, In-person	Cell Biology, Genetics & Genomics
Poster, In-person	Communication Arts & Sciences
Poster, In-person	Criminal Justice & Legal Studies
Poster, In-person	Diversity & Interdisciplinary Studies
Poster, In-person	Education
Poster, In-person	Engineering, Computer Science & Mathematics
Poster, In-person	Environmental Science & Natural Resources
Poster, In-person	Epidemiology & Public Health
Poster, In-person	Health Sciences
Poster, In-person	History, Political Science & Economics
Poster, In-person	Humanities
Poster, In-person	Integrative & Organismal Biology
Poster, In-person	Kinesiology
Poster, In-person	Linguistics, Languages & Speech
Poster, In-person	Microbiology, Immunology & Infectious Disease
Poster, In-person	Neuroscience
Poster, In-person	Nutrition & Food Science
Poster, In-person	Pharmacology & Toxicology
Poster, In-person	Physical Sciences
Poster, In-person	Plant Sciences
Poster, In-person	Psychology
Poster, In-person	Social Science: General
Poster, In-person	Visual & Performing Arts
Poster, Online	Social Science, Arts, Humanities (multi-disciplinary)
Poster, Online	Science, Technology, Engineering, Mathematics (multi-disciplinary)
Oral, Online	Agriculture & Animal Science
Oral, Online	Communication Arts & Sciences
Oral, Online	Diversity & Interdisciplinary Studies
Oral, Online	Global & Area Studies
Oral, Online	Health Sciences
Oral, Online	Humanities
Oral, Online	Social Science: General
Oral, Online	Science, Technology, Engineering, Mathematics (multi-disciplinary)
Film, Online	Film Studies & Digital Media
Exhibit, In-person	Showcase (multi-disciplinary)

## Multi-disciplinary Category Groups

### Science, Technology, Engineering, Mathematics

- Agriculture & Animal Science
- Biochemistry & Molecular Biology
- Cell Biology, Genetics & Genomics
- Cognitive Science
- Engineering, Computer Science & Mathematics
- Environmental Science & Natural Resources
- Epidemiology & Public Health
- Health Sciences
- Integrative & Organismal Biology
- Kinesiology
- Microbiology, Immunology & Infectious Disease
- Neuroscience
- Nutrition & Food Science
- Packaging
- Pharmacology & Toxicology
- Physical Sciences
- Plant Sciences

### Social Science, Arts, Humanities

- Anthropology & Archeology
- Business & Entrepreneurship
- Communication Arts & Sciences
- Composition & Creative Writing
- Criminal Justice & Legal Studies
- Digital Humanities
- Diversity & Interdisciplinary Studies
- Education
- Film & Digital Media
- Global & Area Studies
- History, Political Science & Economics
- Humanities
- Human Development & Relationships
- Linguistics, Languages & Speech
- Planning & Design
- Psychology
- Social Science: General
- Social Work
- Sociology
- Visual & Performing Arts
