 - No. While you can upload the poster to Symposium to share your research with those who cannot attend in-person, it's not required.
- **Can I only present posters?**
 - Yes. Mid-SURE only accepts research posters.
- **I'm not a student at MSU, how do I register on Spartan Experience Record (SER)?**
 - For a Spartan Experience Record registration walkthrough, visit urca.msu.edu/mid-sure
- **My research isn't completed yet, can I still participate?**
 - Yes! Research is a process and we welcome all stages. Just make sure your abstract is completed to the best of your ability by July 24th.
- **Do my mentors and co-presenters also need an account on Spartan Experience Record?**
 - If your mentor(s) or co-presenter(s) are not from MSU, they will need to create an account. MSU students and mentors can use their NetID to log in.
- **I missed the registration deadline, can I still participate in MidSURE?**
 - Yes! You can still register after June 20th using the late registration link on urca.msu.edu/mid-sure/reg. You just may not get the first category or modality of your choice so register before June 20th to let us know you intend to present and to get top priority!
