Welcome to the **Spartan Experience Record** Faculty/Staff Dashboard

The Spartan Experience Record Platform is an interactive database that will allow faculty and staff to Submit Spartan Experiences, log for-credit and non-credit undergraduate research projects, register community engaged learning experiences (as a part of a course), add opportunities/positions to the Spartan Experience Record catalog, and validate student engagement in activities you manage.

If you are an undergraduate with a student staff position on campus, please toggle in the top grey bar to "Access Different Account" to go to your student portal, where you can Register for UURAF or Mid-SURE (and later access more features).

Use the navigation bar on the left to:

- Submit a Spartan Experience for inclusion in the Spartan Experience Record
- View Mid-SURE Presentations for Your Students
- View UURAF Presentations for Your Students
- Track Undergraduate Research Experiences

UURAF Presentation 2026

Welcome to the University Undergraduate Research and Arts Forum (UURAF) Registration Module!

Use the action button (black circle with 3 dots) in the lower right corner to add a new presentation or edit a previous submission.

Information Required to Register

Students will need to have the following information prepared in order to register for the forum:

- Coordinating Presenter: Designated student who will be responsible for the presentation
- Co-Presenter(s), if applicable: Name and MSU NetID. We highly encourage groups to limit their size to 4 students.
- Mentor(s): Name and MSU Net ID. Please contact ugrsrch@msu.edu if your mentor is from another institution.
- Presentation Information: Title, type (exhibit, film, performance, poster, or oral), category, abstract, and other any other special requests (accommodation requests, etc.).

Registration Tips

- You may save partial applications and complete at a later time.
- Projects do not need to be complete at time of registration.

Testing APPROVED & ACTIVE

← Overview

UURAF Presentation Details Map Connections 1

PRESENTATION OVERVIEW

I have reviewed my student's submission and made any necessary changes. By selecting "Yes", I approve their UURAF presentation.

* MENTORS: Do you approve of this student's explanation of their research experience?

To make changes, click the black circle with 3 dots on the lower right and choose edit. You must select the save button at the bottom of the page to save your edits.

Text only. Do not use special characters/symbols (e.g. Greek letters) or course numbers (e.g. UGS 201).

Presentation Title
Testing
Provide a draft or working title. Final version due by March 12. You will have an opportunity to make updates after UURAF for the program book.

Presentation Abstract
Abstracts/proposals are limited to 250 words. Abstracts/proposals over the word limit will be truncated in the program book.
Example 1A.

Draft versions are accepted during the registration period. Final version is due by March 12. You will
