UNDERGRADUATE RESEARCH & CREATIVE ACTIVITY CONFERENCE TRAVEL SUPPORT

The MSU Undergraduate Research & Creative Activity (URCA) travel support funds are available for undergraduate students who have been selected to present research/creative activity at a professional conference or workshop. Funds to support travel are available to undergraduate students who have performed research/creative activity in close collaboration with a research mentor or conducted self-directed research and were supervised by a research mentor.

APPLICATION INFORMATION

1. The student must be presenting research or engaging in a creative activity session (e.g. music master class).

2. Available funds are meant to defray costs and are not intended to subsidize the entire trip.

3. Applicants must be currently enrolled undergraduate students in good standing at MSU. Consideration will be given on a case by case basis to seniors presenting their work during the semester immediately following graduation.

4. Funding from the URCA Office is contingent upon financial support from another unit (i.e. research mentor, academic department and/or college). The URCA Office will not provide the sole support for conference travel.

5. The college or academic department of the student’s research mentor/supervisor is responsible for completing the required MSU travel authorization form prior to the student’s departure and processing the student’s reimbursement.

6. Requests should include proof of presentation (e.g. an acceptance letter/email) indicating that the student’s paper/poster/creative project has been accepted for presentation and this completed application.

7. Applications will be reviewed on a rolling basis. Requests for conference travel support should be submitted at least 30 days prior to travel.
